1st International Kuo Shu Cup **Velbert**

Dear martial arts friends,

This year we, the **Martial Arts Academy Velbert**, in cooperation with **The German Kuo Shu/Kung Fu Federation**, are organizing our tournament in Velbert for the first time. The tournament also serves as a qualifier for the European Championships in May in Italy (Milan).

We would be happy to welcome you on **March 25, 2023** in Velbert as a participant/spectator. The competitions are held in the disciplines forms and fights. As a small highlight, we have reactivated the "Freestyle Form" category and all full-contact fights will be held on a classic competition stage (Lei Tai).

We hope for a numerous appearance, many new participants, rich experiences and wish everyone a fair and successful competition. The landing page or the registration portal will be activated shortly. We will briefly inform you about this again.

The registration deadline is **March 18, 2023**. Late registrations in the forms discipline can only be accepted for an additional fee of €10. Late registrations in the disciplines light and full contact cannot be considered. The organizers reserve the right not to give clubs or schools permission to start!

Competitors in light and full contact must submit the completed competitor registration form and a medical certificate (not older than 2 months!) no later than the day of the tournament.
